LETTER OF ENDORSEMENT

The Spanish Ministry of Science and Technology, represented for the purpose hereof by Mr. Leopoldo González-Echenique Castellanos de Ubao, General Director for Information Society Development, endorses the project proposal "**E-Culture Network of Excellence (Noe)**", for **Research and Education in Digital Culture**, fp6-2002-ist-1, with the specific activity code IST-2002-2.3.1.12, where SEK University of Segovia coordinates Spanish network with other Universities and Institutions. The E-Culture Network of Excellence (NoE) unites 537 researchers from 127 research institutions, cultural organisations and industries and thus integrates the efforts of a number of smaller consortia, which have written expressions of interest.

Leopoldo González-Echenique
